

Guided Pathways & Integrated Student Support

Goals by 2022

* * *

1. Increase student enrollment by 10 percent, 15 percent for underserved populations. (All students, credit and non-credit, unduplicated headcount)
2. Increase the overall 3-year and 6-year transfer and graduation rates by 50 percent. (New to higher education in fall terms)
3. Increase fall-to-spring & fall-to-fall retention rates by 10 percent. (All students)
4. Reduce the average accumulated credits to the amount required for program completion
5. Reduce the ratio of students to advisors
